

Pony For Sale

PRINCE:

Prince is a 13 yr old Chestnut Gelding. He is Welsh x Arab and stands at 13.1 hh. Prince is looking for a loving home due to the fact that we are emigrating. He is a wonderful pony with a lovely nature, but not a first pony or suitable for smaller children due to being quite forward going. Ideally his perfect jockey would be a teenager or smaller adult. He thoroughly enjoys competing and loves to jump. He is a perfect hack and is completely bombproof in traffic.

The right home for Prince is the most important thing to us so we are open to offers on price. He comes complete with all tack including a brand new Wintec saddle.
