THIS EVENT WILL CONSIST OF 3 PHASES

1 CG – Control of Paces – max 60 points

In this phase competitors canter as slowly as possible along a marked corridor 2 m wide and approx 100 m long and then walk back as fast as possible. This phase carries a max of 60 points. No points are scored if you break pace or step outside the corridor.

2 PTV – Cross Country Obstacle Course

This is like riding a hunter trial course (at a leisurely pace) with a variety of obstacles along the way. Each obstacle is marked out of 10 points awarded for effectiveness and style. You are not eliminated if you do not complete an obstacle, but carry on and complete the course. There are penalties for exceeding the time limit.

Examples of obstacles are: jumping a log, hedge or ditch, leading your horse up or down a slope/step or over a ditch, mounting from the right-hand side from the ground, water crossing, bending poles, rein back between poles, immobility (horse must stand alone in enclosed area for 10 sec without moving).

Instructions for completing the obstacles will be sent to you, together with your start times for each phase, in the week before the competition.

3 POR – Optimum Speed and Orienteering – max 240 points

You will copy the route from the master map onto your own map (provided on the day). Allow 5 – 10 min to do this before you get ready to start. You will then leave the venue at your start time at a speed given to you at the start.

You will pass through a number of checkpoints where you will be given a new speed to ride at and may be held for a few minutes (in order to separate competitors). The speeds set will be between 6 and 12 kph. This phase carries 240 points, with penalty points deducted for not keeping to the set speeds or the exact route given.

This phase will not require any complicated orienteering skills, just a bit of simple map reading. Map marking pens, a map case and a compass may be useful but not essential.

Starting times for each phase will be sent out during the week before the competition.

Final results for all 3 phases will not be available on the day of the competition, but will be sent out afterwards.

THERE WILL BE LIMITED ON-SITE CATERING.
