Some events had to be cancelled in March due to harsh weather but hopefully most have been rescheduled now. Lots of training & events to be getting everyone out & about with some interesting new disciplines & venues.

A very successful open Combined Training took place in February with entries coming from far & wide. A good warm up/practice for the forthcoming eventing season perhaps?

Save the date..... Saturday May 19th Members Only Arena Eventing at Sparsholt EC starting at 10am. Classes for all abilities & all on the lovely surface of the outdoor arena.

As usual full details of all these forthcoming events can be found on the website. Book early, as numbers are always limited, to avoid disappointment & to assist the organisers.

Look forward to seeing you out & about

Barbara
