- July 28th – Pole work/jumping with Julia Knight-Jones at Braishfield from 10am – 1pm

Lots of training with a good variety of trainers, different venues & times, hopefully to suit all members.

The members only Show Jumping day will follow our usual format with morning training from Julia and then an optional competition in the afternoon. Heights from 60cm to 90cm to suit all abilities.

Check out the full details on the diary page of the website.

No need to plait, just look tidy and safe. Body protectors, whilst not mandatory, are always a good idea.

Tack must be safe & legal as BS rules will apply.

What's passed

Members Only dressage day had training/ test riding in the morning from Nadine Gregory & Lizzie Murray with a competition in the afternoon. There was a lot of positive feedback, which is gratefully received as a lot of challenging work from committee members goes in to running these events. Constructive feedback is always welcome, as are volunteers to help. Many thanks to the members who helped on the day to make it such an enjoyable occasion

Keep an eye on the website as sometimes extra training sessions are added during the month.

Looking forward to seeing you
