

## Winchester Riding Club Newsletter for August 2018

August is a busy holiday month for many members but there are still some WRC activities you can join in:

- August 10<sup>th</sup> – Dressage to music with Amanda Birch – Park Farm
- August 15<sup>th</sup> – Pole work with Nadine – Sparsholt
- **August 19<sup>th</sup> – Members only fun day. Schedule of classes for this on WRC website- click on date in Diary. Now to include test riding/private lesson with Beth Bainbridge) at Sparsholt.**
- We have added Test riding/lesson with Beth Bainbridge to the Members Only Fun day on the 19th August at Sparsholt. Limited slots are available. Cost is £30 for a 1/2 hr session. Please be warmed up and ready for your time slot.
  
- For test riding: You will ride a test of your choice. Beth will mark it. You then have a debrief of 15 – 20 min depending on the chosen test. She will explain how you can improve your ring craft, riding skills and horse's way of going to gain those extra marks. You ride the test again, Beth marks it again and hopefully your marks will improve.
- If you are practising or competing in dressage to music classes, Beth is happy for you to bring your music and floor plan to run through in the test ride clinic.
- Please state the test you would like to ride or if you would like a lesson in the notes section.
- August 22<sup>nd</sup> – Pole work with Nadine – Sparsholt.

As usual full details of all these events can be found on the website.

Members only Show Jumping in July was a great success, thanks to all the members who took part in the morning training & those who enjoyed the competition in the afternoon.
