- October 26th – Beth Bainbridge – Private lessons – Norton Livery
- **October 28th – Autumn show in hand & ridden – Sparsholt EC**
- October 31st – Sami Illston – Grid work – Sparsholt EC

Full details of times & costs for all these events can be found on the website. Please book early as numbers are restricted. The preferred way of entering is using MyRidingLife. You will then know straight away if you have a place. Entries will be accepted using the entry slips provided, which should be posted or handed to the organiser with a covering cheque. No entries using BACS please as this makes The Treasurer's (me) life difficult!!

There is a lot going on in October with a new trainer Sami Illston joining our regulars. The Sports Psychology talk & the Autumn Show will ensure that there is something for everyone.

Moan corner.....

If you intend to take part in any of the events please ensure that you do not leave your entry to the last minute. We were on the brink of cancelling the ODE in September due to lack of entries which would have been annoying as such a lot of work had already gone in to the preparation & organising of this events. However, the day was saved, & sufficient entries appeared from "nowhere" & the ODE was able to go ahead. It was a fabulous day with lots of lovely appreciative comments & thanks. So all was well in the end!

Don't forget always keep an eye on the website as extra events are sometimes added & I wouldn't want anyone to miss out.

Looking forward to seeing you all

Barbara
